Southern Routes

BC Ferries journeys along the southern routes between the lush coastlines of Vancouver Island and the British Columbia mainland. You will enjoy panoramas of unsurpassed natural beauty with snow-capped mountains, jagged fjords, and fishing villages. Keep an eye out for orcas and seals playing in the waters and bald eagles circling the skies. Enjoy the services onboard the vessel including a dining room, licensed lounges, gift shop and many seating areas.

Operational Details:

Your BC Ferries pre booked departure time and confirmation number have been indicated above.

Passengers need to check in and exchange the voucher at the ferry terminal where the ferry departs from 45 to 60 minutes prior to the scheduled sailing time. Check-in opens 60 minutes prior to scheduled departure. Since the terminal may not have room to accommodate early arrivals during peak traffic periods BC ferries cannot process reserved traffic more than 60 minutes prior to the scheduled departure. Check-in must occur 30 minutes prior to scheduled departure sailing time. If not checked in by this time, the reservation will not be honoured and passengers will travel standby (on next available sailing). The reservation fee will not be refunded

Schedule:

Experience one of British Columbia's most iconic cycling routes in the most memorable way possible on this 4-hour tour that blends breathtaking scenery, fascinating railway history, and eco-friendly travel into one unforgettable Kelowna adventure. Your journey begins in downtown Kelowna, where you'll enjoy a relaxing and scenic transfer up to Myra-Bellevue Provincial Park, gateway to the world-famous Myra Canyon trestles. Once at the trailhead, you'll be equipped with a high-quality e-bike and a mounted speaker delivering a rich, narrated audio guide. As you ride across 18 stunning wooden trestle bridges and pass through two hand-carved tunnels, the audio brings the story of the historic Kettle Valley Railway to life. Learn about the daring engineering, rugged terrain, and deep-rooted Canadian history that make this route so legendary. The ride itself is flat, accessible, and ideal for all skill levels, giving you up to two hours to explore the canyon at your own pace while soaking up sweeping views of the Okanagan Valley. This self-guided experience lets you stop for photos, take in the silence of the canyon, and enjoy the wonder of cycling where trains once ran. After your ride, relax as you are shuttled back to Kelowna ending your journey the way it began: in comfort and style. Whether you're a history buff, nature lover, or simply seeking a one-of-a-kind e-bike adventure, this tour is the perfect blend of discovery, sustainability, and iconic Canadian scenery.

Jasper National Park is well known as a World Heritage site due to its natural beauty and historical significance. Friendly, local driver guides reveal some of Jasper's hidden gems and share their knowledge of the history, geology, and ecology of the area. As you travel through Jasper and the surrounding area, you will be amazed at some of the beautiful scenery as you learn about the ways the local contribute to the rich diversity of the park. The guides are trained to seek out all of the park's most iconic creatures, providing a great opportunity to view the animals in their natural habitat. Have your camera ready to capture some amazing photos of the highlights of this informative and entertaining "Discovery Tour".

This wildlife viewing tour is a driving tour with minimal walking. The maximum group size is 28 passengers. Photos of wildlife are usually taken from the inside the vehicle or on the ground at a safe distance from the animals. While the natural habitat around Jasper is conducive to animal sightings, animal viewing is not guaranteed and depends largely on the season, the time of day, and the weather. The selected route is at the discretion of the driver guide.

Location/Directions

The tour departs from individual hotels in Jasper
